5. Responding to Concerns

If anyone has concerns about a child's welfare or suspects abuse, they must report it to the DSL immediately. If a child is in immediate danger, contact emergency services (999).

6. Safe Environment

We promote a safe environment by ensuring that staff are trained in safeguarding, DBS-checked, and understand their responsibilities. Children are supervised at all times during classes and events.

7. Code of Conduct

Staff and volunteers must:

- Treat all children with respect and dignity
- Avoid any inappropriate physical or verbal contact
- Never be alone with a child in private
- Act immediately if they witness or suspect harm

8. Confidentiality and Information Sharing

Child protection concerns must be shared with the DSL. Confidential information will only be shared with relevant agencies to ensure a child's safety.
